

DIGITAL PHONE TERMS OF SERVICE

These Terms of Service constitute an agreement (“Agreement”) between 3WLogic, LLC (hereinafter “3WLogic”) and the user (hereinafter “you”, “user” or “Customer”) with respect to 3WLogic’s residential voice services or business voice services, as the case may be, and any related products or services (“Service”). This Agreement governs both the Service and any devices, such as an IP phone, or IP connection device (“Equipment”), used in conjunction with the Service. By activating the Service, you acknowledge that you have read and understood, and you agree, to the terms and conditions of this Agreement, and you represent that you are of legal age to enter this Agreement and become bound by its terms.

1. SERVICE

1.1 Term. Service is offered on a monthly basis for a term which begins on the date that 3WLogic activates your Service and ends on the day before the same date in the following month. Subsequent terms of this Agreement automatically renew on a monthly basis without further action by you unless you give 3WLogic written notice of non-renewal at least ten (10) days prior to the end of the monthly term in which the notice is given. You are purchasing the Service for full monthly terms – meaning, that if you attempt to terminate Service prior to the end of a monthly term, you will be responsible for the full month’s charges to the end of the then-current term, including without limitation unbilled charges, plus a disconnect fee, all of which immediately become due and payable. Expiration of the term or termination of Service does not excuse the Customer from paying all unpaid, accrued charges due in relation to the Agreement.

1.2 Residential Use of Service and Equipment. If you have subscribed to 3WLogic’s residential services, the Service and Equipment are provided to you as a residential user only, for your personal, residential, non-business and non-professional use. Specifically, “residential use” means that you are not using the Service or Equipment for any commercial or governmental activities, profit-making or non-profit, including but not limited to home office, business, sales, tele-commuting, tele-marketing, autodialing, continuous or extensive call forwarding, fax broadcast, fax blasting or any other activity that would be inconsistent with normal residential usage patterns. “Residential use” also means that you shall not resell or transfer the Service or the Equipment to any other person for any purpose, or make any charge for the use of the Service, without prior, express written permission from 3WLogic. You agree that your use of the Service and/or Equipment for any non-residential purpose will obligate you to pay 3WLogic’s higher rates for commercial service on account of all periods, including past periods, in which you use, or used, the Service for non-residential purposes. 3WLogic reserves the right to immediately terminate or modify the Service if 3WLogic determines, in its sole discretion, that the Service is being used for non-residential or commercial use.

1.3 Business Use of Service and Equipment/Prohibition on Resale. If you have subscribed to 3WLogic’s Business services, the Service and Equipment are provided to you as a business user. This means that you shall not resell or transfer the Service or Equipment to any other person for any purpose, without prior, express written permission from 3WLogic. You agree that the 3WLogic Business Plans do not confer the right to use the service for auto-dialing, continuous or extensive call forwarding, telemarketing, fax broadcasting or fax blasting. 3WLogic reserves the right to immediately terminate or modify the Service if 3WLogic determines, in its sole discretion, that the Service is being used for any of the aforementioned activities.

1.4 Lawful Use of Service and Equipment. You agree to use the Service and Equipment only for lawful purposes. Customer shall not use the Service or Equipment for transmitting or receiving any communication or material of any kind when in 3WLogic's sole judgment the transmission, receipt or possession of such communication or material would: (i) constitute a criminal offense, give rise to a civil liability, or otherwise violate any applicable local, state, national or international law; or (ii) encourage conduct that would constitute a criminal offense, give rise to a civil liability, or otherwise violate any applicable local, state, national or international law. 3WLogic reserves the right to terminate your Service immediately and without advance notice if 3WLogic, in its sole discretion, believes that you have violated the above restrictions, leaving you responsible for the full month's charges to the end of the current term, including without limitation unbilled charges, plus a disconnect fee, all of which immediately become due and payable. Customer is liable for any and all use of the Service and/or Equipment by any person making use of the Service or Equipment provided to you and agrees to indemnify and hold harmless 3WLogic against any and all liability for any such use that fails to comply with this Section. If 3WLogic, in its sole discretion, believes that you have violated the above restrictions, 3WLogic may forward the objectionable material, as well as your communications with 3WLogic and your personally identifiable information to the appropriate authorities for investigation and prosecution.

1.5 Use of Service and Equipment by Customers Outside the United States. While we encourage use of the Service within the United States to other countries, 3WLogic does not presently offer or support the Service to customers located in other countries. 3WLogic urges you not to take the Equipment outside of the United States. If you do and you use the Service from there, you do so at your own risk, including the risk that such activity violates local laws in the country where you do so. You are liable for any and all use of the Service and/or Equipment by any person making use of the Service or Equipment provided to you.

1.6 Loss of Service. You acknowledge and understand that the Service does not function in the event of power failure or failure of your high speed Internet device. Should there be an interruption in the power supply or a failure of your high speed Internet device, the Service will not function until power is restored and/or the device is repaired, as the case may be. A power failure or disruption may require the Customer to reset or reconfigure the Equipment prior to utilizing the Service. Power disruptions or high speed Internet device failures also will prevent dialing to emergency service numbers including the 911 calling feature.

1.7 Copyright, Trademark, Unauthorized Usage of Device, Firmware or Software. The Service and Equipment and any firmware or software used to provide the Service or provided to Customer in conjunction with providing the Service, or embedded in the Equipment, and all Services, information, documents and materials on 3WLogic's website(s) are protected by trademark, copyright or other intellectual property laws and international treaty provisions. All websites, corporate names, service marks, trademarks, trade names, logos and domain names (collectively the "marks") of 3WLogic are and shall remain the exclusive property of 3WLogic and nothing in this Agreement shall grant you the right to right or license to use such marks. You acknowledge that you are not given any license to use the firmware or software used to provide the Service or provided to Customer in conjunction with providing the Service, or embedded in the Equipment, other than a nontransferable, revocable license

to use such firmware or software (without making any modification thereto) strictly in accordance with the terms and conditions of this Agreement, and that the Equipment is exclusively for use in connection with the Service. If you decide to use the Equipment through an interface device not provided by 3WLogic, which 3WLogic reserves the right to prohibit in particular cases or generally, you warrant and represent that you possess all required rights, including software and/or firmware licenses, to use that interface device with the Service and you will indemnify and hold harmless 3WLogic against any and all liability arising out of your use of such interface device with the Service.

1.8 Tampering with Equipment. Customer agrees not to change the electronic serial number or equipment identifier of the Equipment, or to perform a factory reset of the Equipment, without prior, express permission from 3WLogic. 3WLogic reserves the right to terminate your Service should you tamper with the Equipment, leaving you responsible for the full month's charges to the end of the current term, including without limitation unbilled charges, plus a disconnect fee, all of which immediately become due and payable.

1.9 Theft of Service. Customer agrees to notify 3WLogic immediately, in writing or by calling 3WLogic's customer support line, if the Equipment is stolen or if you become aware at any time that your Service is being stolen or fraudulently used. When you call or write, you must provide your account number and a detailed description of the circumstances of the Equipment theft or fraudulent use of Service. Failure to do so in a timely manner may result in the termination of your Service and additional charges to you. You will be liable for all use of the Service using Equipment stolen from you and any and all stolen Service or fraudulent use of the Service.

1.10 Return of Equipment. All Equipment provided for free by 3WLogic to Customer must be returned to 3WLogic within fourteen (14) days of the termination of Service. Customer agrees that should the Equipment not be returned as required, or if the Equipment has been returned in a damaged condition, 3WLogic may charge the Customer for the full cost of the Equipment. Under no circumstances will shipping or activation fees be refundable.

1.11 Number Transfer on Service Termination. Upon termination of Service, 3WLogic may, solely at 3WLogic's discretion, release the telephone number that was ported to 3WLogic by you, if any, and used in connection with your Service provisioned by 3WLogic to your new service provider, if such new service provider is able to accept such number, and provided: (i) your 3WLogic account is paid in full, including payment for all charges and disconnect fees; and (ii) you request the transfer upon terminating your account.

1.12 Telephone Number Portability.

(a) Customer Request for Current Number Port. Upon applying for the Service, 3WLogic may, at Customer's request, attempt to transfer (*i.e.*, "port") your current telephone number(s) into our system. You understand and hereby warrant that 3WLogic cannot control the time and duration of the number porting process and that there will be no credit issued for the time between when you request the number port and the actual date any such transfer occurs.

(b) Terms of Number Portability. In the event you are transferring an existing local phone number for use in connection with the Service, the following terms and conditions apply:

- (i) You hereby authorize 3WLogic to process your order for the Service and to notify your current local telephone company of your decision to switch your local services to the Service and to transfer your telephone number, and represent that you are authorized to take these actions.
- (ii) You agree that you must install and activate your Equipment prior to the date on which the number switch becomes effective (“Port Effective Date”).
- (iii) You agree that you will be assigned a temporary telephone number until your transfer is completed. You may place and receive calls using this temporary number until such time as your phone number is transferred.
- (iv) 3WLogic has the right to refuse to import a number if, in its sole discretion, it does not have the infrastructure to support the number

1.13 Service is Not Telephone Service. You acknowledge and understand that the Service is not a telephone service. Important distinctions exist between telephone service and the Service provided by 3WLogic. The Service may be subject to different regulatory treatment than phone service. This treatment may limit or otherwise affect your rights of redress before Federal and State regulatory agencies.

1.14 Incompatibility With Other Services.

(a) Home Security Systems. You acknowledge and understand that the Service may not be compatible with your home security system. You may be required to maintain a telephone connection through your local exchange carrier in order to use any alarm monitoring functions for any security system installed in your home or business. You are responsible for contacting the alarm monitoring company to test the compatibility of any alarm monitoring or security system with the Service.

(b) Certain Broadband and Cable Modem Services. You acknowledge and understand that the Service may not be compatible with certain broadband providers. You further acknowledge that some providers of broadband service may provide modems that prevent the transmission of communications using the Service. We do not warrant that the Services will be compatible with all broadband services and expressly disclaim any express or implied warranties regarding the compatibility of the Service with any particular broadband service.

(c) Other Communications Equipment. You acknowledge and understand that you may experience difficulties when using the Service in conjunction with certain non-voice communications equipment, including, but not limited to, some aspects of satellite TV systems, digital entertainment systems, fax machines, modems and medical monitoring devices. By accepting this Agreement, you waive any claim you may have against 3WLogic for interference with or disruption of such systems due to the Service.

(d) Dialing Options. You acknowledge and understand that you cannot make 500, 700, 900, 976, 0+ collect calls or dial around calls (*e.g.*, 1010-XXXX). In addition, you agree that this service does not support n11 calling with the exception of 411 and 911, as described below in section 2.

2. EMERGENCY SERVICES - 911 DIALING

2.1 911 ACKNOWLEDGEMENT AND WARNING LABELS. END USER ACKNOWLEDGES THAT 3WLOGIC'S EQUIPMENT AND SERVICES DO NOT SUPPORT 911 EMERGENCY DIALING OR OTHER EMERGENCY FUNCTIONS IN THE SAME MANNER THAT TRADITIONAL WIRELINE 911 SERVICES WORK. THE DIFFERENCES ARE DETAILED IN THIS SECTION 2 AND END USER AGREES TO NOTIFY ANY POTENTIAL USER OF THE SERVICES WHO MAY PLACE CALLS USING END USER'S SERVICES OF THE 911 LIMITATIONS DESCRIBED HEREIN. 3WLOGIC WILL PROVIDE END USER WITH WARNING LABELS REGARDING THE LIMITATIONS OR UNAVAILABILITY OF 911 EMERGENCY DIALING. END USER AGREES TO PLACE A LABEL ON AND/OR NEAR EACH TELEPHONE OR OTHER CUSTOMER PREMISE EQUIPMENT ON WHICH THE SERVICES MAY BE UTILIZED. IF ADDITIONAL LABELS ARE REQUIRED, END USER MAY REQUEST THEM FROM 3WLOGIC. 3WLOGIC WILL PROVIDE END USER WITH ADVISORY NOTICES REGARDING 911 EMERGENCY DIALING AND REQUEST ACKNOWLEDGMENTS FROM END USER. BY AGREEING TO THESE TERMS OF SERVICE, END USER AGREES THAT 3WLOGIC HAS ADVISED END USER OF THE CIRCUMSTANCES UNDER WHICH 3WLOGIC E911 SERVICE MAY NOT BE AVAILABLE OR MAY BE LIMITED IN COMPARISON TO TRADITIONAL 911 EMERGENCY DIALING. 3WLOGIC URGES END USER TO MAINTAIN AN ALTERNATIVE MEANS OF ACCESSING TRADITIONAL 911 SERVICES.

2.2 Registration of Physical Location Required.

(a) Location. For each phone number that you use for the Service, you must register with 3WLogic the physical location where you will be using the Service with that phone number. **IF YOU MOVE EQUIPMENT TO ANOTHER LOCATION, YOU MUST IMMEDIATELY REGISTER YOUR NEW LOCATION. IF YOU DO NOT REGISTER YOUR NEW LOCATION, ANY CALL YOU MAKE USING THE 911 DIALING FEATURE WILL BE SENT TO AN EMERGENCY CENTER NEAR YOUR OLD ADDRESS. A CHANGE OF LOCATION MAY TAKE UP TO A WEEK TO REGISTER SUCH THAT YOUR 911 CALLS ARE SENT TO THE APPROPRIATE LOCATION.** You will register your initial location of use when you subscribe to the Service. Thereafter, you may register a new location by following the instructions from the "911" registration link on your 3WLogic web account page. For purposes of the 911 dialing feature, you may only register one location at a time for each phone line you use with the Service.

(b) Permitted Locations. Please note that you will only be able to register locations in the following WV counties: BARBOUR, BOONE, BRAXTON, BROOKE, CABELL, DODDRIDGE, FAYETTE, GILMER, GREENBRIER, HANCOCK, HARRISON, JACKSON, KANAWHA, LEWIS, LINCOLN, LOGAN, MARION, MARSHALL, MASON, MCDOWELL, MINGO, MONONGALIA, MONROE, NICHOLAS, OHIO, PENDLETON, PRESTON, PUTNAM, RALEIGH, RANDOLPH, RITCHIE, ROANE, TAYLOR, TYLER, UPSHUR, WAYNE, WETZEL, WOOD, WYOMING.

2.3 Moving Phone Locations. Although the Service and Equipment are designed to function properly if moved to a different physical location, 3WLogic strongly recommends against taking your Equipment on vacation or otherwise using it in multiple locations. As reflected in Section 2.1, unless you update the physical location of your Equipment, 911 calls may not be sent to an emergency center near the location from which you are calling.

2.4 Service Outages.

(a) Service Outages Due to Power Failure or Disruption. 911 dialing does not function in the event of a power failure or disruption. If there is an interruption in the power supply, the Service, including 911 dialing, will not function until power is restored.

(b) Service Outages Due to Internet Outage or Suspension or Termination of Broadband Service or ISP Service. Service outages or suspensions or terminations of service by your broadband provider or ISP will prevent all Service, including 911 dialing, from functioning.

(c) Service Outage Due to Suspension or Termination of Your 3WLogic Account. Service outages due to suspension or termination of your account will prevent all Service, including 911 dialing, from functioning.

(d) Service Outages Due to ISP or Broadband Provider Blocking of Ports or Other Acts. Your ISP or broadband provider or other third party may intentionally or inadvertently block the ports over which the Service is provided or otherwise impede the usage of the Service. In that event, provided that you alert us to this situation, we will attempt to work with you to resolve the issue. During the period that the ports are being blocked or your Service is impeded, and unless and until the blocking or impediment is removed or the blocking or impediment is otherwise resolved, your Service, including the 911 dialing feature, may not function. You acknowledge that 3WLogic is not responsible for the blocking of ports by your ISP or broadband provider or any other impediment to your usage of the Service, and any loss of service, including 911 dialing, which may result. In the event you lose service as a result of blocking of ports or any other impediment to your usage of the Service, you will continue to be responsible for payment of the Service charges unless and until you terminate the Service in accordance with this Agreement.

(e) Other Service Outages. If there is a Service outage for any reason, such outage will prevent all Service, including 911 dialing, from functioning. Such outages may occur for a variety of reasons, including, but not limited to, those reasons described elsewhere in this Agreement.

(f) Network Congestion; Reduced Speed for Routing or Answering 911 Dialing Calls. There may be a greater possibility of network congestion and/or reduced speed in the routing of a 911 dialing call made utilizing the Service as compared to traditional 911 dialing over traditional public telephone networks.

(g) Alternate 911 Arrangements. If you are not comfortable with the limitations of the 911 dialing service, you should consider having an alternate means of accessing traditional 911 or E911 services or terminating the Service

3. CHARGES / PAYMENTS / DEFAULT / TAXES / TERMINATION

3.1 Billing. Payment for Service, including any applicable federal, state, and local taxes, is due within thirty (30) days of the date of invoice – whether electronic or by mail. Beginning thirty-one (31) days after the date of invoice, interest on late payments will accrue at the rate of 1.5% per month, or the highest rate allowed by law on the unpaid balance, whichever is lower. You may be required to provide us with a valid credit card number or bank account and routing

number when the Service is activated. If the card expires, you close your bank account, your billing address changes or your credit card is cancelled or replaced owing to loss or theft, you must advise 3WLogic at once. We will bill all charges monthly (including, but not limited to, activation fees, monthly Service fees, taxes, international usage charges, advanced feature charges, equipment purchases and shipping and handling charges) and you may pay by check, credit card or automatic withdrawal from your bank account. 3WLogic reserves the right to bill at more frequent intervals or to charge your credit card or make an automatic withdrawal from your bank account if the amount due at any time exceeds \$50.

3.2 Billing Disputes. You must notify 3WLogic in writing within seven (7) days after receiving your invoice if you dispute any 3WLogic charges on that statement or such dispute will be deemed waived. Billing disputes should be notified to the following address: Billing Department, 3WLogic, PO Box 328, Buckhannon, West Virginia 26201 or billing@3WLogic.com.

3.3 Payment. Your use of the Service may authorize 3WLogic to charge your credit card or automatically withdraw from your bank account any charges that accrue during the billing cycle that are not paid within thirty (30) days of the date of the applicable invoice. This authorization will remain valid until forty-five (45) days after 3WLogic receives your written notice terminating 3WLogic's Services. 3WLogic may terminate your Service at any time in its sole discretion, if any charge to your credit card or bank account is declined or reversed or in case of any other non-payment of account charges. Termination of Service for declined card, reversed charges or non-payment leaves you fully liable to 3WLogic for all charges accrued before termination and for charges incurred by 3WLogic as the result of your non-payment, such as (but not limited to) collection costs and attorney's fees.

3.4 Termination/Discontinuance of Service. 3WLogic reserves the right to suspend or discontinue providing the Service generally, or to terminate your Service, at any time in its sole discretion. If 3WLogic discontinues providing the Service generally, or terminates your Service in its discretion without a stated reason, you will only be responsible for charges accrued through the date of termination, including a pro-rated portion of the final month's charges. If your Service is terminated for any stated reason, including without limitation violation of this Agreement, or because of any improper use of the Service or Equipment (such as, but not limited to, your attempts to hack, disrupt, or misuse the Service), you will be responsible for the full month's charges to the end of the current term, including without limitation unbilled charges, plus a disconnect fee, all of which immediately become due and payable.

3.5 Taxes. Customer is responsible for, and shall pay any applicable federal, state, municipal, local or other governmental sales, use, excise, value-added, personal property, public utility or other taxes, fees or charges now in force or enacted in the future, that arise from or as a result of Customer's subscription or use or payment for the Service or Equipment. Such amounts are in addition to payment for the Service or Equipment and will be billed to your account. If Customer is exempt from payment of such taxes, it will provide 3WLogic with an original government-issued certificate attesting to tax-exempt status. Tax exemption will only apply from and after the date 3WLogic receives the Tax Exempt Document.

3.6 Disconnect Fee. Customer will be charged a disconnect fee of \$75 per voice line upon termination of Service for any reason or for convenience by Customer. The disconnect fee becomes due and payable immediately upon termination and will be billed directly to Customer's

credit card or bank account. Activation and any shipping fees incurred are non-refundable. To receive a credit for the disconnect fee, Customer must return the Equipment undamaged and in original condition within fourteen (14) days of termination. 3WLogic will not credit Customer if the Equipment is damaged or not in its original condition as received by the Customer. In the event Customer terminates service for any reason prior to the end of the second month of Service, the Customer shall be responsible for paying a restocking fee of \$15.00, plus tax.

3.7 Delinquent Accounts. All Accounts that are past due will be turned over to a collection agency and may be reported to an applicable credit reporting company.

3.8 Incompatibility with High Speed Provider. In the event that the Service is not compatible with the services offered by your high speed Internet provided, 3WLogic will refund fees paid by Customer, if any.

3.9 Rates for Service. Rates for Service are subject to change on five (5) days written notice to the Customer.

4. WARRANTY AND LIABILITY LIMITATIONS/INDEMNIFICATION

4.1 Limitation of Liability. 3WLogic shall not be liable for any delay or failure to provide the Service, including 911 dialing, at any time or from time to time, or any interruption or degradation of voice quality that is caused by any of the following: 1) act or omission of an underlying carrier, service provider, vendor or other third party; 2) equipment, network or facility failure; 3) equipment, network or facility upgrade or modification; 4) force majeure events such as (but not limited to) acts of God; strikes; fire; war; riot; government actions; 5) equipment, network or facility shortage; 6) equipment or facility relocation; 7) service, equipment, network or facility failure caused by the loss of power to Customer; or 8) any other cause that is beyond 3WLogic's control, including without limitation the failure of an incoming or outgoing communications, the inability of communications to be connected or completed, including 911 dialing, or degradation of voice quality. 3WLogic's liability for any failure or mistake shall in no event exceed Service charges with respect to the affected time.

The limitations set forth herein apply to claims founded in breach of contract, breach of warranty, products liability, tort and any and all other theories of liability and apply whether or not 3WLogic was informed of the likelihood of any particular type of damages.

4.3 Indemnification. Customer agrees to defend, indemnify, and hold harmless 3WLogic, its officers, directors, employees, members, managers, affiliates and agents and any other service provider who furnishes services to Customer in connection with this Agreement or the Service, from any and all claims, losses, damages, fines, penalties, costs and expenses (including, without limitation, reasonable attorney's fees) by, or on behalf of, Customer or any third party or user of

4.4 No Warranties on Service. 3WLOGIC MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS OF THE SERVICE OR THE EQUIPMENT FOR A PARTICULAR PURPOSE. 3WLOGIC DOES NOT WARRANT THAT THE SERVICE WILL BE WITHOUT SERVICE FAILURE, DELAY, INTERRUPTION, ERROR, DEGRADATION OF VOICE QUALITY OR LOSS OF CONTENT, DATA OR INFORMATION. NEITHER 3WLOGIC NOR ITS OFFICERS, DIRECTORS, EMPLOYEES, MEMBERS, MANAGERS, AFFILIATES OR AGENTS OR ANY OTHER SERVICE PROVIDER OR VENDOR WHO FURNISHES SERVICES OR PRODUCTS TO CUSTOMER IN CONNECTION WITH THIS AGREEMENT OR THE SERVICE WILL BE LIABLE FOR UNAUTHORIZED ACCESS TO 3WLOGIC'S OR CUSTOMER'S TRANSMISSION FACILITIES OR PREMISES EQUIPMENT OR FOR UNAUTHORIZED ACCESS TO, OR ALTERATION, THEFT OR DESTRUCTION OF, CUSTOMER'S DATA FILES, PROGRAMS, PROCEDURES OR INFORMATION THROUGH ACCIDENT, FRAUDULENT MEANS OR DEVICES OR ANY OTHER METHOD, REGARDLESS OF WHETHER SUCH DAMAGE OCCURS AS A RESULT OF 3WLOGIC'S OR ITS SERVICE PROVIDER'S OR VENDOR'S NEGLIGENCE. STATEMENTS AND DESCRIPTIONS CONCERNING THE SERVICE OR EQUIPMENT, IF ANY, BY 3WLOGIC OR 3WLOGIC'S AGENTS OR INSTALLERS ARE INFORMATIONAL AND ARE NOT GIVEN AS A WARRANTY OF ANY KIND.

4.5 No Third Party Beneficiaries. No provision of this Agreement provides any person or entity not a party to this Agreement with any remedy, claim, liability, reimbursement, or cause of action or creates any other third party beneficiary rights.

4.6 Content. You are liable for any and all liability that may arise out of the content transmitted by or to you or other users using the Services. You shall assure that your or your user's use of the Services and content will at all times comply with all applicable laws, regulations and written and electronic instructions for use. 3WLogic reserves the right to terminate or suspend affected Services, and/or remove your or your users' content from the Services, if 3WLogic determines that such use or content does not conform with the requirements set forth in this Agreement or interferes with 3WLogic's ability to provide Services to you or others or receives notice from anyone that your or your users' use or Content may violate any laws or regulations. 3WLogic's actions or inaction under this Section shall not constitute review or approval of your or your users' use or content. You will indemnify and hold 3WLogic harmless against any and all liability arising from the content transmitted by or to you or to other users using the Services. A "user" means any person, whether authorized or unauthorized, using the Service and/or Equipment provided to you.

5.2 Governing Law. This Agreement and the relationship between you and 3WLogic shall be governed by the laws of the State of West Virginia without regard to its conflict of law provisions. Customer and 3WLogic agree to submit to the personal and exclusive jurisdiction of the courts located within the State of West Virginia. Venue shall be proper only in the Circuit Court of Harrison County or in the United States District Court for the Northern District of West Virginia. The failure of 3WLogic to exercise or enforce any right or provision of the Agreement shall not constitute a waiver of such right or provision. If any provision of the Agreement is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties' intentions as reflected in the applicable provision, and the other provisions of the Agreement remain in full force and effect. You agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the Service or the Agreement must be filed within one (1) year after such claim or cause of action arose or be forever barred.

5.3 Entire Agreement. No amendment to this Agreement shall be binding upon 3WLogic unless and until posted in accordance with Section 3 hereof.

5.4 Severability. If any part of this Agreement is legally declared invalid or unenforceable, all other parts of this Agreement are still valid and enforceable. Such invalidity or non-enforceability will not invalidate or render unenforceable any other portion of this Agreement.
